

SloanLED™ Apollo

Medium to large face-lit signs and light boxes

With over 100 lumens per Watt, Apollo is one of the most energy efficient LED modules on the market today. With a robust module design it makes it the perfect solution for face-lit channel letters and light boxes.

- ▶ White hue alternative for standard can depths.
- ▶ Constant Current Technology
- ▶ UL and cUL recognised, CE, CSA Certified
- ▶ RoHS and WEEE compliant

Specifications:
